

ZSUNET

Broad Spectrum SPF 30 Sunscreen Stick

Print File // Actual size

Please Note: All colors of ingredients and item names can be changed to match the colors of the imprints but will be black or white will be standard. Black ingredients do not show up well against darker colored background, we recommend that you change them to white. The ingredients must be readable and legible due to FDA regulation. If you have a background pattern or picture, please take this into consideration. Recommendations 1- include a white or transparent box underneath the ingredients. 2- add a white or black outline (it must be thick enough to print well). 3- Change the color of them to white or black, or match a darker or lighter color from your artwork in order to make them visible. Note, we will make one of the above changes on your proof should it not be done when artwork is submitted. A small drop shadow does not print well, we will not use this option when it is provided.

Bleed Area (background color/pattern) needs to be 1/8" outside cutline
Label size is the actual cutline
Standard Imprint area 1/8" inside the cutline

UNSCENTED

Drug Facts
Active Ingredients: Avobenzone 3%, Octisalate 5%, Octocrylene 2% Sunscreen
Purpose: Sunscreen
Uses: • Helps prevent sunburn. • If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging caused by the sun.
Warnings: For external use only. Do not use on damaged or broken skin. When using this product keep out of eyes. Rinse with water to remove. Stop use and ask a doctor if rash occurs. Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away. Removes with soap and water.
Directions: • Apply liberally 15 minutes before sun exposure. • Reapply • after 40 minutes of swimming or sweating • immediately after towel drying • at least every 2 hours. • **Sun Protection Measures:** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other sun protection measures including: • Limit time in sun, especially from 10 a.m. - 2 p.m. • Wear long sleeve shirts, pants, hats, and sunglasses. • Children under six months of age: Ask a doctor.
Inactive Ingredients: Water, Emulsifying Wax, Stearic Acid, Cocos Nucifera (Coconut) Oil, Butyrospermum Parkii (Shea Butter), Propandiol, Ethylhexyl Palmitate, Vitamin E, Helianthus Annuus (Sunflower) Seed Oil, Isopropyl Isostearate, Phenoxethanol, Polyacrylate-15, Xanthan Gum, Polycaprolactone-11, Benzoic Acid, Dihydroxyacetic Acid.
Other Information: • Protect this product from excessive heat and direct sun.
