### Color disclaimers:

- PMS matching is not available on this product.
- The colors represented in this proof will not reflect the final product colors.
- This item is dipped in fragrance oils and discolors all colors in different ways.
- This discoloration is unavoidable.
- The level of discoloration will vary from order to order (this also applies to reorders of the same artwork).
- We do not recommend White imprints and/or backgrounds on this product.
- The discoloration of any White area is more noticeable due to the absence of color (will look yellow-brown).
- \*We recommend using a Light Grey as an alternative to White.

### Artwork disclaimers:

- We cannot print borders of any kind on this item. Any borders will be removed prior to a proof being sent.
- Minimum stroke weight is 0.25pt. Any strokes below this weight will be thickened to 0.25pt
- Photos/flattened artwork must be at least 300 DPI to be considered viable for production.
- Photos/flattened artwork cannot be altered or revised on our end.
- This item is required to be printed on both sides. If provided artwork is not different on both sides, the artwork will be duplicated on the second side.
- Any live art outside of the inner safe area is subject to be cut off on final product.

### Text disclaimers:

These are safety requirements and are non-negotiable.

- All text must be at least 9pt (0.098" in height) and/or completely legible to the naked eye and fit within the safe area.
- Any text within your artwork that is below the sizing requirement is subject to removal or enlargement to meet our minimum sizing requirements.
- If such text is impossible to enlarge without going outside of the safe area or obstructing the caution text, the layout of your artwork is subject to change to accommodate the enlarged text  
\*This may include moving artwork to the second side (incurs additional charges).
- Text cannot be curved, sideways, upside down, etc.. All words must be easily read horizontally from left to right when hung. Any text not meeting this requirement will be changed to meet it.

### Caution text disclaimers:

These are FDA regulations and are non-negotiable.

- The caution text on this product must be present on at least one side of the product.
- The words, text size, and font cannot be altered.
- The text cannot be obstructed or faded.
- The position of the text can be moved anywhere within the safe area, but all words must be easily read horizontally from left to right when hung (i.e. text cannot be sideways, upside down, curved, etc.).
- The color of the text can only be Black or White; the color choice is at the discretion of our team in order to ensure the text is 100% legible on the final dipped product.

### Proof receipt and artwork delay disclaimers:

- If you are a no-proof customer or you specify on your PO that your proof is waived and your artwork falls below any of the above mentioned standards/requirements, you will receive a proof for approval to confirm all disclaimers & any/all changes that may need to be made to bring your art up to the minimum standards/requirements.
- Teweld will not be held responsible for any delays if artwork is received below the above mentioned minimum standards/requirements.

- All PMS Colors are printed CMYK and are matched as close as possible.
- This proof should be used to inspect the layout, spelling, grammar, and color selection\*  
\*Please see above color disclaimers
