

# STOCK PRODUCT TEMPLATE

Item #20041 – Square with RC

---

## Template Info

- Stock clip position shown for front and backside of product.
- Hole/clip position is not repositionable and should be considered for layout. Printing around hole and under clip is allowed.
- Border printing for this product is limited to **one side** only.
- Product includes option for full or partial bleed-off printing.
- Template provides guides for **trim** (solid black line) **live area** (black dashed line) which includes the largest allowable size for important info within the trim area and **full bleed** (pink line) showing the extra artwork needed for that print method.
