1. Register at 2ndFamilyShop.com

Click on "My Account" to find the register button. You can fill out your information to register an account to start ordering.

2. Browse & Build

Look for items and then build them with your imprint, quantities, and colors. Save your cart or send a quote to others for their review or feedback.

3. Submit the Order

Once your cart has everything you want in it, you can submit it for proofing. Your order is still flexible and our team will help you make any necessary adjustments if needed.

4. Graphic Proof

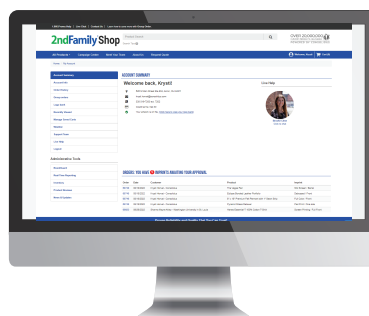

The graphics team will send you a proof through email within 24 hours of order placement. You will work with the graphics team to make sure everything is perfect.

5. Production

The order will move to production after proof approval and payment have been received.
