1. Shop and Submit Order

Once you have registered, you can shop for items and build them with your imprint, quantities, and colors. Save your cart or send it as a quote to others for their review.

2. Items Proofed

Once your cart has everything you want in it, you can submit it for proofing. Your order is still flexible and our team will help you make any necessary adjustments if needed.

3. Graphic Approvals

After you approve your proof(s), UNF Marketing will review them to ensure brand consistency. Once they approve, you will receive an email letting you know the item(s) were approved.

4. Production

As long as payment has been arranged, the item will move to production. If payment has not been received, we will reach out to let you know.

5. Shipping

Once the order(s) ship, you will receive an email with tracking information and receipt.
