COMMUNITY ALLIES ALIGN

GovMVMT—a public-focused program centered on providing dependable services to state, local, and nonprofit agencies to foster cooperative purchasing processes—is dedicated to the country’s highest procurement and ethical standards. With a powerful foundation built on quality, reliability, and inclusivity, GovMVMT’s steadfast support of community and regard for trusted relationships made the organization an ideal partnership for Consolidus, an industry leader for promotional products and branded materials.

ROOTED IN TRANSPARENCY

Together, we’re helping combine the purchasing power of public agencies from all 50 states into government contracts that will remain competitively solicited, evaluated, and awarded by a tangible public agency—not a third-party organization. Our shared mission—combined with our joint confidence and belief in people and community—will continue to reinforce Consolidus and GovMVMT’s commitment to creating credible, collaborative cooperatives across the country for years to come.
